

Comment l'entreprise 3MD ENERGY s'est-elle imposée comme l'un des leaders du marché au Sénégal, voire dans la sous-région ? Notre expertise de plusieurs années dans ...

Energy intensity can therefore be a useful metric to monitor. Energy intensity measures the amount of energy consumed per unit of gross domestic product. It effectively measures how efficiently a country uses energy to produce a given amount of economic output. A lower energy intensity means it needs less energy per unit of GDP.
