# 60 gallon 20u electricity Server Rack

Whether your server equipment takes up a corner space or an entire room, we have the tools you''ll need to hold and maintain your server system. Enclosed cabinets offer versatility with ...

i wanna get a rack for near my desk so i can have my pc and server/servers and networking, the reason i had the idea of a 20u rack is because i saw one from vevor that wasnt terribly ...

Sysracks racks are built around the standard 19? format used by most servers, switches, patch panels, and rack-mount equipment. Mounting rails, spacing, and depth options are designed so common IT hardware fits without modification or guesswork.
