Why should you choose Abans solar?

Certified by the Sri Lanka Sustainable Energy Authority, Abans Solar offers a 25-year performance warranty on its products and services, instilling confidence in its offerings. The renewable nature of solar power and its low maintenance not only enhance property value but also have the potential to eliminate electricity bills.

Is solar a good option in the Bahamas?

On a kilowatt-hour (kWh) by kilowatt-hour basis, solar's your best, but you need to add battery energy storage capacity in order to reach higher levels of penetration," he noted. "Nassau's [the Bahamas' largest city] is a pretty big grid, and it can take a fair bit of solar without storage," Burgess continued.
