

Will Wenea & Ads-TEC energy upgrade the power of charging points in Spain?

This summer, Wenea and Ads-Tec Energy signed an agreement to upgrade the power of charging points in Spain using Ads-Tec Energy's battery buffered solution, PowerBooster. The first 11 locations are fixed, and further locations are in the planning stage. The first charging point is already in operation.

Where is Ads-TEC energy based?

The listed ADS-TEC Energy PLC is based in Ireland. Its wholly owned subsidiary ADS-TEC Energy GmbH continues to be headquartered in Germany. In the USA, a 100% subsidiary (ADS-TEC Energy Inc.) of ADS-TEC Energy GmbH followed, which is located in Auburn, Alabama. Thereby, further steps of growth and internationalization have been taken.

How does Ads-TEC energy work?

Ads-Tec Energy's storage solutions are connected directly to the 400-volt power grid and load the power to the battery slowly like a large power bank. When an electric vehicle arrives for charging, the stored energy is "boosted" into high-power electricity and discharged into the vehicle battery in the shortest possible time.

Are Wenea and Ads-TEC working together?

The Spanish charging infrastructure provider Wenea and the German battery specialist ADS-TEC Energy have reached an agreement to increase the output of eleven Wenea charging stations in Spain with battery systems from ADS-TEC. More are in the planning stage.

Why did Bosch acquire a stake in Ads-TEC energy?

In the further course of the company's development, BOSCH had acquired a stake in ADS-TEC Energy. Later, ADS-TEC Energy became a supplier and partner for new infrastructures on an international scale of the leading e-mobility providers through a major contract for battery-buffered fast charging systems.

Who is Ads-TEC industrial IT?

With more than 40 years of experience and a long company history, the 100% subsidiary ads-tec Industrial IT GmbH develops and produces industrial computer and IT systems. We attach great importance to the ability to act over long periods of time. ADS-TEC Industrial IT is one of the few providers to develop its systems 100% in-house. [Read more](#)
