

Does Aggreko offer hybrid energy storage solutions?

Learn more about our hybrid energy storage solutions Explore Aggreko's industrial battery energy storage systems & solutions designed to deliver optimal performance & help you reduce emissions. Enquire today.

What does Aggreko do?

At Aggreko, we energise change. We provide energy solutions to help businesses grow and communities thrive. Bring your energy. Grow your career.

What type of battery does Aggreko use?

Aggreko's energy storage solutions use batteries ranging from 30 kVA, 60 kVA, 250 kW, 500 kW to 1 MW. Regardless of your load profile, our smaller battery storage offers a robust, highly mobile solution for customers with varying needs. Their compact footprint and weight makes them easy to transport and appropriate for the smallest of spaces.
