In 1899, Germany and the U.S. divided the Samoan group of islands. The U.S. got the smaller group of islands on the east side. These islands had a good harbor near the capital city, Pago Pago. The western islands were run by Germany and then by New Zealand and are now the independent country Samoa. Officially, American Samoa is an "unorganized" territory.

The culture of American Samoa boasts a vibrant cultural tapestry woven from ancient Polynesian traditions and modern influences. This enchanting destination offers a unique opportunity to immerse oneself in a way of life that harmoniously blends the richness of its past with the evolving present.
