

GF, GAF and GA contactors are specifically designed for switching DC circuits up to 1500 V. Thanks to the efficient breaking of DC circuits, the product range is one of the most compact on the market for applications such as PV Solar, EV ...

HOTSON is the leading manufacturer of high voltage DC contactors in China. Sealed contactors for EV, charging station and all DC switching application. Hermetically sealed contactor, gas ...

DC contactors by Schaltbau are packed with expertise. With excellent isolation parameters they ensure a safe disconnection of the battery unit from the inverter in these storage systems. They contribute to overall efficiency of the energy ...

600A 12-1500VDC Coil 24V High Voltage DC Contactor for ESS Energy Storage System offered by China manufacturer AnLaiQiang Tech. Buy 600A 12-1500VDC Coil 24V High Voltage DC ...

Dc contactor of energy storage system has long working time and high stability requirement. 2. Main performance requirements of DC contactor for energy storage system: The rated working ...

Vicvac Electronics Technology (changzhou) Co.,Ltd is a leading supplier of new energy intelligent high-voltage safety core components. Its main products include high-voltage DC contactors, ...

CJX2 - Z series DC operating contactors (hereinafter referred to as contactors) are suitable for 50Hz (or 60Hz) AC power systems with rated voltage of 690V and rated current of 95A. The main control object is motor. It can also be used to ...

DC contactor. BSBC7-30. ... 30 A Load voltage: 1,000 V... hazardous environments Applications o EV charging station o Energy storage system o Electric Vehicles o Construction machinery o ...

Nevertheless, a polarized DC contactor is usually the better choice for HV EV applications of greater than 350 V due to its higher cycle life. More information on this subject and other points of contactor design are ...

As a leading manufacturer of DC contactor, HOTSON supplies the most complete and extensive range of hermetically sealed DC contactors on the market. Thanks to our proven innovative technology, we provide DC contactors from 12VDC to ...
