

Who is SHV Energy?

SHV Energy provides decentralised, cleaner and lower-carbon energy solutions to 26 million business and residential customers around the world. We achieve that with the support of our 13,000 employees and our operations located in 25 countries across 4 continents. At SHV Energy, what we do is driven by our vision.

Why is SHV Energy a strong shipping position?

A strong shipping position is in place to support and strengthen our regional supply model. As SHV Energy's only trading entity on the international market, we are in a unique position to optimise LPG supply. We achieve that through a combination of physical trading and tailor-made risk management tools and strategies.

What is SHV Energy's 'advancing energy together' strategy?

SHV Energy's strategy remains focused on 'Advancing Energy Together' in order to provide customers with cleaner and more affordable energy alternatives over time.

Who is SHV?

SHV was founded in 1896 and, since then, has built its expertise on efficient and safe distribution of energy sources throughout Europe.

Why should I partner with SHV Energy?

We would love for you to partner with us. SHV Energy is a leading global distributor of off-grid energy, such as LPG and LNG, and is active in sustainable fuels and renewable energy solutions. If you are interested in a product or solution in your local market, please refer to our global map.

How does SHV increase its focus on trading in energy?

SHV increases its focus on trading in energy by expanding its LPG distribution. SHV acquires a controlling stake in Primagaz Group, already active in France and Germany, by bringing in its LPG operations in the Benelux, Italy, Austria, Denmark and, later, Germany.

SHV Energy provides low-carbon and clean energy solutions for business and residential customers in over 25 countries across four continents. It is a leading global distributor of LPG and also a significant player in small-scale LNG and ...
