A subsidiary of the Bhojsons Group - Powerhub, emerging power solutions company has launched Amaze power back up solution into the Nigerian market. The launch of Amaze - one of the leading power back up brands in India, is poised to help ease Nigeria's lack of adequate power distribution, a situation similar to that of India.

3 ???&#0183; In areas with time-of-use electricity rates, a home battery backup enables smarter utility energy purchases. For example, let's say your utility charges 30 cents per kWh during peak billing hours (from 3-7 p.m.), and 10 cents per kWh throughout the rest of the day. If you need to run your dishwasher, EV charger, or another high-energy-demand ...
