

This visionary partnership is set to transform the energy landscape of the US Virgin Islands through the deployment of cutting-edge Battery Energy Storage Solutions (BESS) across six ...

A thermal battery unit. Image: Antora Energy . US\$150 million has been raised in a Series B by Antora Energy, a US-based startup with a novel "thermal battery" technology claimed to be suitable for decarbonising industrial ...

Energy Dome has signed a contract with Alliant Energy for a 200MWh long-duration energy storage (LDES) project in Wisconsin, which the US utility considers the "first of many." Italy-headquartered Energy Dome holds ...

Other companies targeting the low-carbon thermal storage market -- an opportunity worth an estimated EUR300 billion worldwide according to EnergyNest -- include Germany's Lumenion which is conducting a trial of its ...

This visionary partnership is set to transform the energy landscape of the US Virgin Islands through the deployment of cutting-edge Battery Energy Storage Solutions (BESS) across six strategically positioned solar parks. The ...

US engineering-and-technology conglomerate Honeywell announced it will provide developer VIElectron its first instalment of battery energy storage solutions (BESS) for six solar parks positioned across the US ...

Honeywell Process Solutions announced it will provide Massachusetts-based renewable energy developer VIElectron with its first installment of battery energy storage systems (BESS) to accommodate six ...

Honeywell Process Solutions has announced plans to install about 124 MWh of its battery energy storage systems alongside 140 MW of solar at six sites to help the US Virgin ...

Honeywell will provide its first installment of 124 MWh battery energy storage systems (BESS) to VIElectron, a CB Loranger Company, for six 140 MWDC solar parks across the U.S. Virgin Islands. Upon completion, the ...

Mitsubishi Power's latest endeavor, Prevalon, and Honeywell's effort in the Virgin Islands both highlight the technological innovation that is revolutionizing the sector. The U.S. Military's ...

Honeywell has announced that it will provide VIElectron, a CB Loranger Company, its first installment of

battery energy storage solutions (BESS) to six solar parks strategically positioned across the US Virgin Islands. ...
