

This attractive tax structure, coupled with the absence of other key taxes, makes the Isle a sought-after jurisdiction for business operations. International businesses find the fiscal climate in the Isle of Man conducive for growth, while the clear and streamlined tax regulations ensure compliance and transparency.

A render of the company's BESS solution. Image: Peak Energy. We hear from a managing director at TDK Ventures, investor in sodium-ion battery energy storage system (BESS) company Peak Energy, about the current state and future potential of the technology, which most agree is on the cusp of large-scale commercialisation.

The Isle of Man Trust was one of the first international asset protection trusts. With over one thousand years of history behind it, the High Court of Tynwald (the parliament of the Isle of Man) is the oldest continuous parliament in the world.

The Business Emissions Savings Scheme is a revised version of the Business Energy Savings Scheme and be launched on the first of October. So the scheme aims to help businesses become more energy efficient and some of the changes include an enhanced rate of ...

Whilst an Isle of Man SPV can be used to structure open or closed ended investment vehicles for entities such as hedge funds, private equity funds, or venture capital funds undertaking international investment, simple investment companies are often used for private arrangements. The archetypal investment company will use the Isle of Man SPV to ...

Ancient sites on the Isle of Man, including neolithic burials and stone circles, ancient artifacts, and a Viking longship burial. Today is the Summer Solstice, the longest day of the year. Many of us will simply marvel at today's ...

For Isle of Man residents, one would have thought setting up a trust is straightforward - find some willing trustees, engage a lawyer to draft the trust deed and hand assets over to the trustees: happy days. ... Now the trust structure, which was reasonably benign from a Manx income tax perspective, falls firmly into the UK anti-avoidance ...

The Isle of Man's special constitutional status and its distinctive political structures provide the context for considering the response required in the island. They have protected the island ...

The Department of Health and Social Care (DHSC) supports health and social care delivery in the Isle of Man, making sure people have access to safe, effective and high-quality care. We do not directly provide any health and social care services. As a small team of inspectors, policy makers, researchers and administrators - the

DHSC:
