

What is the 'Guam 100'?

The study, known as the "Guam 100," will set a clear path to achieving 50% electricity purchases from renewable energy by 2030 and 100% by 2040, according to a news release from GPA.

Does core tech solar have a legal dispute with Guam Waterworks Authority?

Commissioners did raise some concerns about the award to Core Tech Solar, as affiliate company Core Tech International is currently locked in a multi-million-dollar legal battle with the Guam Waterworks Authority. GPA needs approval from the CCU, before taking the contract awards to the rate-setting Public Utilities Commission for final approval.

How do I contact Guam Power Authority?

Guam Power Authority reminds customers to be vigilant. If you're getting pressured, hang up and call us at (671) 647-5787/8/9 - this will ensure you're speaking to a real utility employee.
