A Power Surge alternator produces up to 25% more starting wattage for all your power needs. Features: 3500 Running Watts/4375 Starting Watts

The Kohler 26kW generator with 200-Amp RXT Whole House Automatic Transfer Switch and Remote Energy Management brings extraordinary power for homes and businesses in an air-cooled configuration. 10 seconds after a power outage hits, the 26kW Generator restores power to 5-ton air conditioners, major appliances, and other circuits with ...

Power Management options make the most efficient use of a standby generator system. Without Power Management, two heavy loads that run at the same time and overload the generator will trip the generator's main breaker and leave the entire house without power until someone manually resets the breaker. Power management eliminates this problem.
