

May 10, 2024: International battery company, EnerSys, this week announced that it has entered into a definitive agreement to acquire Bren-Tronics, a manufacturer of portable power products for defense customers, including small and large format lithium batteries.. The acquisition will expand EnerSys" presence in critical defense applications and aligns, the company said, with several ...

BTC-70911-XX (Charger Only), BTK-70911-XXA (Kit Including Charger and Accessories) Foldable Lightweight Expeditionary Charger(TM) (FLEX Charger(TM)) and Kit Series are designed for field charging, pack-able & ...

Bren-Tronics, Inc. Address. US Headquarters: 10 Brayton Court Commack, NY 11725-3197 European International Headquarters: 20 rue Henri Regnault 75014 Paris, France UK Headquarters: Boston House Grove Business Park ... Our Custom Solutions; T's & C's / Certificates; GET IN TOUCH . 10 Brayton Court Commack, NY 11725-3197 ...

Bren-Tronics is a global manufacturer of advanced portable power systems for military applications used by the US, NATO and government forces around the world. ... and superior performance in the manufacture of power solutions. Address. 10 Brayton Court Commack . NY 11725-3197 . United States of America . Email address. sales@bren-tronics ...

09/06/2020 22/04/2023 Paolo Valpolini American Lithium Energy, Bren-Tronics, Bren-Tronics International Solutions, ... This might not be the only target for the international arm of Bren-Tronics, as i.e. Otokar of Turkey also has an all-electric/hybrid vehicle underway, while the interest for Li-Ion solutions for vehicles is definitely ...

Bren-Tronics est leader dans le domaine de l'énergie militaire depuis plus de 40 ans. L'expertise de l'entreprise est la conception, la fabrication et le déploiement de solutions énergies fiables, robustes et qualifiées pour applications militaires. ...

Rechargeable Lithium-Ion Battery Suitable for distributed modular wearable power. Higher energy density than BB-2525/U at 210Wh/kg vs. 127Wh/kg. Designed for quick swapability when using Bren-Tronics docking stations.

Radio Batteries by Bren-Tronics. BB-2590/U: This lithium ion battery is used often in radios, robots, sensors, and more. With over 100 applications this battery is an industry leading product in performance and production. This widely adopted and versatile battery has been the military standard for small systems for years.

USB Cap w/Charging Capability Charge up your USB powered devices using standard military batteries used
on AN/PRC-148 & AN/PRC-152 handheld radios. In addition, it provides instant State of Charge and
provides the ability to ...

BTC-70911-XX (Charger Only), BTK-70911-XXA (Kit Including Charger and Accessories) Foldable
Lightweight Expeditionary Charger(TM) (FLEX Charger(TM)) and Kit Series are designed for field charging,
pack-able & powered from AC & DC (solar sources). Batteries Charged: BB-2590/U, BB-2557/U,
PRC-148/152/163, and Conformal Wearable ...

Since our beginnings, Bren-Tronics has been a leader in advanced and innovative battery and power solutions
for the global marketplace. One of the industries that our batteries have served in is military robotics. The
batteries we've developed are often used in robots for military use.

Can be used with All Bren-Tronics solar products through SA trailer hitch connection; Available in 60W
(BTP-592433-MC) and 120W (BTP-523436-MC) Monocrystalline cells on a folding type, lightweight,
non-glass substrate; Excellent choice for applications that require lightweight, flexible and durable silent
power; Impact resistant and puncture ...
