

What is the emaldo power store?

The Emaldo Power Store adds profitable storage of self-produced solar electricity to any solar system, allowing for the clean and free energy to be stored until it is actually needed. It works with both new and existing solar installations and is the perfect choice for retro-fitting battery capacity to properties already featuring solar cells.

Who is emaldo?

We specialize in home power stations with battery storage, offering you the freedom to harness and store clean energy efficiently. Want to sell Emaldo? © 2024, Emaldo. All rights reserved

What is emaldo power system?

Emaldo power systems are innovative energy solutions designed to optimize power storage, management, and distribution for sustainable and efficient energy use. Explore our FAQ section for clarity and assistance. Where can I buy Emaldo? You can buy Emaldo Power Core products through your installer. We have certified installers located globally.

Which inverter is compatible with the emaldo power store?

The Emaldo Power Store is compatible with any inverter, no matter the brand and type. The Emaldo Power Store is a true all-in-one system, bringing our custom high-performance 10.8 kW inverter, our expandable battery power boxes, Bluetooth and integrated 4G cellular connectivity into one stylish cabinet.

Can I use emaldo as a B2B installer?

Yes, you can! Emaldo provides a user-friendly app for system owners and a B2B platform that allows installers to support system owners. In the app you can monitor power consumption, check energy production, and view real-time data. This empowers system owners to make informed decisions about their energy usage.
