Refrigerated Container or Reefer Container is one of our best sellers. They are suitable for products or cargoes that require a certain cool or freezing temperature to avoid damage and ...

Better insulation = reduced power to maintain desired temperature. For many years TITAN has offered the TROPICAL model that features more insulation in key heat gain areas and especially the roof and in 2021 we introduced -80°C Ultra Freezers which employs heavier insulation throughout the container and a

smaller door area.
