

Calibre De Cartier Watch W7100050. The W7100050 Calibre De Cartier Watch is evidence of the 1904-CH movement's precision being housed in an enviably stunning horological piece. The soft and delicate rose gold ...

Le calibre 1904 MC est le reflet d'intenses et ambitieuses recherches menées par Cartier depuis plusieurs années sur le front des mécanismes horlogers. Cette volonté affichée par la maison ...

Contemporáneo y refinado, el reloj Calibre de Cartier reinterpreta la forma redonda de la relojería con carácter y estilo. Equipado con el nuevo movimiento de Manufactura Cartier 1904 MC, ...

In 2010, Cartier introduced the Calibre de Cartier collection of watches housing their new in-house movement, the 1904 MC. This move was right in line with their strategy of strengthening their position as a manufacturer rather than just ...
