

Chad energy storage project tender announcement

What is the Chad energy access scale up project (PAAET)?

The Chad Energy Access Scale Up Project (PAAET) aims to increase access to electricity and clean cooking solutions via expansion of the main power grid and mini-grids, standalone solar systems, deployment of improved stoves, and natural resource management.

How does the bank support access to energy in Chad?

"The Bank's support strategy for access to energy in Chad is based on a two-pronged approach: off-grid electrification led by the private sector to rapidly boost access and national grid-based electrification by SNE, which is strategically important," said Clara de Sousa, Country Director for Burkina Faso, Chad, Mali, and Niger.

Will Ida help Chad expand its access to energy?

WASHINGTON, March 24, 2022 - The World Bank today approved a \$295 million grant from the International Development Association (IDA)* to help Chad expand its access to energy.
