

Are Chin batteries any good?

There are some people saying these batteries are no good but if the rumor about those people is true, they have never owned or used a Chin battery. This model comes with a built-in battery management system or BMS as well as a high temperature cut off switch/sensor.

How far from Battery is chins LiFePO4?

Wireless connection range: within 5-10 meters from the battery. ?Built-In BMS & Convenience & Maintenance Free?: CHINS LiFePO4 battery has built-in BMS (Battery Management System) to protect it from overcharge, over-discharge, over-current, and short circuit with excellent self-discharge rate.

Does chins battery meet factory spec?

CHINS battery meets its factory spec. Update (6/24/21): On 6/23/21, the battery voltage is 26.67V. This is about 0.19% discharge rate. Average discharge rate (in 2 months) is 0.5%. This is way better than CHINS factory spec (less than 2%).

Why should you choose chins LiFePO4 battery?

?Built-In BMS & Convenience & Maintenance Free?: CHINS LiFePO4 battery has built-in BMS (Battery Management System) to protect it from overcharge, over-discharge, over-current, and short circuit with excellent self-discharge rate. Built-in high temp cut off prevents charging over 122 °F (50 °C).

How heavy is a chins battery?

It is a very heavy 24V battery, about 96 lbs. The size is the same as my CHINS 12V, 200Ah battery. I guess CHINS utilized a more dense battery cell for its 24V. The thick foam protected the battery (see attached pic). No damage at all. In the box, it had information and instructions in English. I hooked the battery with the multimeter.

Can I use a chins battery as a car starter battery?

In addition, our batteries cannot be used as a car starter battery. If the maximum current of the motor is less than 100A, you can buy CHINS 24V 200AH LiFePO4 battery.

Chins Battery Specs. Here are the specs for the 300AH battery from Chin's website: Rated Capacity (0.2C): 300Ah / 3840Wh. Cycle life: 2000+ cycles at 80% discharge depth. Rated voltage: 12.8V. Charge voltage: 14.2V - ...
