

Who is compass energy solutions?

COMPASS ENERGY SOLUTIONS, one of the nation's premier energy service companies, provides comprehensive and proven energy infrastructure development, asset management, and efficiency improvements to a wide range of commercial, institutional, state, and local government customers.

What does Compass energy do?

Beginning in 2009, Compass Energy partnered with the City of Clovis to develop, manage and implement cost-effective, energy-efficient & renewable solutions. Over the past decade, the City has reduced its energy consumption and operating costs by over 48%. Santa Monica College partnered with CES to develop sustainable campus-wide solutions.

What is the advantage of using Compass?

Compass offers the advantage of strategic partnerships with respected and experienced firms selected for their technical/development capabilities and to reduce project risk and optimize costs. Compass IS a Partner.
