Dynamic Energy is a leading solar energy company with close to 15 years of experience specializing in the development of solutions for commercial, industrial, and institutional customers.

I had Dynamic Energy Solutions add a couple of 220-volt breakers to my box, and run two lines to my kitchen. They also changed out 5 electrical outlets. The technician was on time, courteous, and most importantly was very knowledgeable! The price was very reasonable. I will be using DES for all of my electrical and HVAC work going forward.
