

Can you buy a tea table with a hot water supply?

This type of tea table with a built-in water reservoir and a direct hot water supply is quite common in China. My parents have a set of these. You can purchase it individually or put it on a larger tea table in the same color scheme to host guests OR...You can consider to purchase the build in water supply within a larger surface like this one [Here](#).

Does the coffee table have a charging station?

Super Charging Station: Say goodbye to messy cables with the integrated 15W wireless charging feature on the table's surface. In addition to wireless charging, the coffee table is equipped with USB-A and USB-C charging ports on the side.

How big is a tea table?

This feature ensures that your tea sessions are not only enjoyable but also hassle-free, making it the best choice for tea enthusiasts who value convenience. With dimensions of L 19.7 x D 11.4 x H 2.6 inches, this tea table is perfectly sized for serving tea to a group of 4-6 people, making it an excellent choice for social gatherings.

Why should you buy a tea table?

Additionally, the table's top surface is perfect for displaying tea sets, small potted plants, or photo frames, allowing you to create a warm and personalized decor. This dual functionality enhances its practicality and appeal. **High-Quality Materials and Stable Structure:** The choice of materials and construction methods sets this tea table apart.

How do you choose a tea table?

Consider the available space and how many people will typically use the table. Round and square tables are common choices for tea tables, but oval, rectangular, and irregular shapes can also be appealing. **Storage and Features:** Decide if you need storage options like drawers or shelves for storing tea accessories, utensils, or other items.

Does the coffee table have wireless charging?

In addition to wireless charging, the coffee table is equipped with USB-A and USB-C charging ports on the side. This ensures that all your devices, whether smartphones, tablets, or laptops, are always charged and ready to go, making your living room the ultimate tech hub.
