

What is the iShares energy storage & materials ETF?

The iShares Energy Storage & Materials ETF (the "Fund") seeks to track the investment results of an index composed of U.S. and non-U.S. companies involved in energy storage solutions aiming to support the transition to a low-carbon economy, including hydrogen, fuel cells and batteries.

Which energy storage stocks are a good investment?

Albemarle is the top holding, followed by Tesla, so if you can't decide from the previous stocks, this fund is a good one-stop investment to play the pending energy storage boom. With more than \$1 billion under management and about 60 components, this First Trust fund is another interesting and diversified way to play energy storage.

Are energy storage solutions still private?

The best energy storage solutions are still private- won't have IPO for several years - which will then make current energy storage tech stranded assets...;) @Moats and Income Plenty of cash both in private and public markets. I see potential public winners also.

Is energy storage a good investment?

Energy storage is an attractive emerging high-growth sector. It's still wide open with many upcoming companies. The market has seen more pure energy storage players coming online with different technologies. These are often high-risk, high-reward investments. ESS (energy storage solutions) offers a compelling new segment in renewable energy.

What are some interesting energy storage ETFs?

Another interesting energy storage ETF is GRID, which is focused on alternative energy infrastructure companies such as power management company Eaton Corp. (ETN), industrial conglomerate Johnson Controls International PLC (JCI), and electronics and automation pioneer Abb Ltd. (ABB).

What are the future opportunities for energy storage?

Energy storage is a fast-emerging sector. Pumped hydro is the most used solution for now. Batteries are the next step to support renewable energy. Lithium technologies lead the way, but many upcoming technologies have different benefits. I provide an overview of possible opportunities.
