

Hongfa High Voltage DC relay (DC contactor) mainly adopts ceramic brazing seal structure, hydrogen-based protective gas, and utilizes the principle of magnetic blowing to extinguish the ...

TE KILOVAC designs high voltage relays and DC contactors to deliver the switching performance in aerospace and defense applications. These lightweight KILOVAC products offer continuous current ratings up to 500 amps with ...

TE Connectivity KILOVAC High Voltage Relays are safe, reliable, and hermetically sealed lightweight relays extensively designed to serve a variety of demanding, high-performance applications. Now available at TTI. Browse ...

Vicvac Electronics Technology (changzhou) Co.,Ltd is a leading supplier of new energy intelligent high-voltage safety core components. Its main products include high-voltage DC contactors, ...

GCE Location GCE BMS Office GCE BMS factory GCE BMS Delivery At A Glance Hunan group control energy technology Co., Ltd. (GCE) is a high-tech company specializing in the research ...

High voltage DC contactors are widely used in the system of DC circuit with rated voltage of 450Vdc, 750Vdc, 1000Vdc, 1500Vdc, and with rated current from 20A to 800A. Application: ...

100A 1000Vdc High Voltage DC Relay Contactors quantity. Add to cart. Fast Quote. Specification. ... HIITIO specializes in producing high-voltage DC electrical devices for EV, solar energy systems, and energy storage applications. ...

Shanghai Relay Electronics Technology Co. Ltd. was established in October 2016. The company focuses on the development and production of high-voltage DC relay. The company passed the IATF16949 system certification in June ...

Song Chuan Precision Americas is a world class manufacturer of power electromechanical relays with over 50+ years of experience. Inverter, Combiner, Rapid Shutdown, DC Quick Disconnect Switch, Energy Storage, ...

Montreal, Canada - Future Electronics, a global leader in electronic components distribution, is pleased to announce the release of its High Voltage Relay & Contactor Selector ...

HIITIO; was established in 2018 as a result of Hecheng Electric introducing a mature R& D team.

HIITIO specializes in producing high-voltage DC electrical devices for EV, solar energy systems, and energy storage applications.

Also, its products passed the CE certification In April 2022. The product series produced by the company can cover various DC high-voltage switching requirements such as electric vehicles, charging piles and energy storage. ...

E-T-A's HVR10 high voltage relay is a hybrid powerful high voltage relay in a compact design. It combines physical isolation of high voltages via an electro-mechanical contact and state-of-the ...

Discover Hiitio's High Voltage DC Contactors: Reliable, high-performance solutions for EV charging, solar energy, and more. ... it's the ultimate choice for your Electric vehicle, EV charging, photovoltaic power generation, energy ...

150A 450Vdc-1000Vdc High Voltage DC Relay Contactors quantity. Add to cart. Fast Quote. Specification. ... HIITIO specializes in producing high-voltage DC electrical devices for EV, solar energy systems, and energy storage ...
