Elektrani na Severna Makedonija or ESM (Macedonian: Elektrani na Severna Makedonija, ESM, litt. "Power plants of North Macedonia") is a government-owned electricity producing company in North Macedonia.

Prava i obvrski na EsmEPay - korisnichki profil Bezbedno plak`an`e na fakturi za povek`e imoti, vnes na sostojba na meriloto i pregled na potroshuvachi na mernoto mesto

South America"s Mercosur trade bloc will meet in Uruguay with fresh signs the group could use the event to announce a long-delayed deal with the European Union after last-minute negotiations to ...

As of 2020, ESM has the following operations: [11] Power production facilities TPP Bitola, coal mine and power plant combine which also runs the Suvodol coal mine and produces 72% of the electricity of the country; TPP Oslomej, coal (lignite) mine and power plant combine; Mavrovo Hydroelectric System [], operating the Raven [], Vrben [] and Vrutok Hydroelectric Power Stations

The growth of ESM is inextricably linked to the development of power generation in Macedonia. Though ESM was established as an independent enterprise in 2005 as ELEM, its business operations and generation capacities date as far back as the beginning of the 20th century in 1909, to the first light in Skopje.
