The Fiji Government is ready to collaborate with genuine partners to bring cutting-edge technology and investment into Fiji's energy and infrastructure sectors. This was highlighted by Permanent Secretary for Trade Shaheen Ali when he met with executives of CHINT Group Company Limited (CHINT) in Shanghai, China.

He said Fiji aims to exceed 90% by 2030 and achieve net-zero emissions by 2050. "As part of this commitment, Fiji's National Energy Policy focuses on sustainable, affordable, and reliable energy, with an emphasis on enhancing energy security and supporting a clean energy transition to benefit all Fijians.
