What is the tourism industry like in Antigua and Barbuda?

Antigua and Barbuda's tourism industry was one of the earliest to be developed in the Eastern Caribbean and is currently one of the strongest and most established. In 2011, the country's tourism sector was the second in the world in terms of its relative contribution to the economy with 74.9% of the GDP, over 5 times of the world's average of 14%.

What is the banking industry like in Antigua and Barbuda?

Antigua and Barbuda has the second-largest banking sector in the Eastern Caribbean region, accounting for about 20% of the region's deposits, loans, and assets. The financial service industry is dominated by both domestic and international banks, insurance companies, and other financial organizations.

What is the economy of Antigua and Barbuda?

Therefore, the country depends mainly on the visitors' arrival for revenue. Tourism is the mainstay of the economy of Antigua and Barbuda and is the largest and leading sector in terms of generating government revenue and creating employment for the residents. In 1999, the industry accounted for 60% of the GDP and over 50% of all the jobs.

What is the importance of Agriculture in Antigua and Barbuda?

Agriculture is an important source of domestic income and employment for a significant number of people in Antigua and Barbuda. However, it contributes to a small proportion of the country's GDP. Over the past three decades, the contribution of agriculture to the GDP has significantly fallen from 40-12%.

What is the fishing industry like in Antigua and Barbuda?

The fishing industry employs about 1,200 people. The country has a fairly extensive fishing ground with a coastline of about 260 kilometers and a shelf area of 3,568 square kilometers. Because of the small-scale nature of the fishing industry, Antigua and Barbuda is a net exporter of fish products.
