

A total of 311 applications were received for clean energy or decarbonisation projects after the call for submissions opened last summer. Of these, seven were selected to ...

The Pacific island country of Palau has welcomed the commissioning of its first large-scale solar-plus-storage project, representing the largest power plant of its kind in the Western Pacific region.

The largest solar and battery storage project in the Western Pacific has been installed in Palau, a 15.3 MW solar system combined with a 13.2 MWh battery. The US\$29 million installation will meet more than 25% of the country's ...

Minister of Energy Sebastian Burduja signing 24 financing contracts for self-consumption solar and storage projects, worth nearly EUR14 million. Image: Ministry of Energy. A 204MW battery energy storage system ...

The UK's "largest" solar and battery energy storage project, Cleve Hill Solar Park, has started construction, Quinbrook Infrastructure Partners confirmed. The specialist ...

June 23, 2023 | etn.news Philippine renewable energy firm Alternergy and its subsidiary Solar Pacific Energy Corporation (SPEC) have recently launched the Republic of Palau's first solar ...

It is adding BESS to solar projects it has already been developing and the total energy storage capacity planned is close to 1GWh, across 25 sites. Nordic Solar, which has been covered by our colleagues at ...

It pairs a 15.28MWp (13.2MWac) solar PV facility with a 10.2MWac/12.9MWh battery energy storage system (BESS), and was inaugurated on 2 June. It is located in Ngatpang state, on Babeldoab, the ...

Rendering of the Slate project. Image: Recurrent Energy. In California, construction began in January this year on Slate, a 300MW solar PV plant with 140.25MW / 561MWh battery energy storage, from which energy ...

Renewable power pioneer Alternergy Holdings Corp. and its subsidiary Solar Pacific Energy Corporation celebrated the official launch of the Republic of Palau's first solar and battery energy storage system (BESS) ...

June 23, 2023 | etn.news Philippine renewable energy firm Alternergy and its subsidiary Solar Pacific Energy Corporation (SPEC) have recently launched the Republic of Palau's first solar and battery energy storage system (BESS) ...

Overview The pristine island nation of Palau is small yet proud, standing as a bright beacon of sustainability in the vast Pacific Ocean. As a small island developing state, the Republic of ...
