Hanergy Mobile Energy Holding Group is a multinational clean energy companyand a world leader in thin-film solar power |Hanergy Mobile Energy Holding Group is a multinational clean energy company and a world leader in thin-film solar power.

Since establishment in 1989, Hanergy has been on a mission to build mobile energy and change the world with thin-film solar. At present, the company's total installed hydropower project capacity exceeds 6GW, and total installed wind power project capacity stands at 131MW.

In addition, Hanergy has entered into thin-film solar power plant construction agreements across the globe totaling a capacity of about 10GW. Through global technical integration and independent innovation, Hanergy has become a world leader in thin-film solar technology.

In February 2014,Hanergy was selected by the MIT Technology Review as one of the 50 smartest companies in the world. It was the only Chinese energy company honored with the award. This form collects your name,email and content so that we can keep track of the comment placed on the website.

At present,Hanergy's total installed capacity of hydropower projects exceeds 6GW,and its total installed capacity of wind power projects is 131MW.
