

Who is JA Solar?

JA Solar is the world leader in high-performance photovoltaic products. The company has been rated in the Global Top 500 New Energy Enterprises and Fortune China 500 for several years. The goal of JA Solar is to develop solar systems that benefit customers worldwide. Solutions for a number of applications can be found with JA Solar.

What products does JA Solar offer?

The range offered by the company includes JA Solar monocrystalline solar panels, as well as other accessories for photovoltaic systems, such as silicon wafers, cells, monocrystalline modules, photovoltaic components, inverters, and load-bearing and mounting systems.

What is the warranty on JA Solar photovoltaic panels?

JA Solar photovoltaic modules are sold with a 12-year warranty. With JA Solar photovoltaic panels, you are ensured technologically advanced modules combining a high output power, a low LCOE value, very good resistance to mechanical load, and an annual degradation not exceeding 0.55 %, over a period of 25 years.

JA Solar (Yangzhou) General Information Description. Manufacturer of solar photovoltaic products designed to make environment better. The company manufactures solar products that convert solar energy into electricity for residential, commercial and power generation systems, enabling clients to use clean energy.
