

Who is innargi?

Originally a one-project venture in Aarhus, Innargi is now an international geothermal company with several projects in Northern and Eastern Europe. Our mission is to bring clean, reliable heating to Europe through the renewable resource beneath our feet - geothermal energy.

Who owns innargi?

Why are we here Innargi was founded in 2017 by A.P. Moller Holding in order to examine whether competences from many years in oil and gas could help unlock the potential of geothermal energy for district heating. Today, Innargi is jointly owned by ATP (Denmark's largest pension fund), NRGi (customer-owned utility company) and A.P. Moller Holding.

Can innargi industrialise geothermal district heating?

Innargi and the district heating companies VEKS, CTR, and HOFOR have agreed to look at the options for the development of geothermal energy. In order to industrialise geothermal district heating, new methods and ideas had to be brought to the table.
