

Introducing the SS-BAT-05K-WM-LFP Solar Battery, a state-of-the-art energy storage solution designed to meet the growing demand for reliable and efficient power in South Africa. This advanced battery utilizes Lithium Iron Phosphate (LiFePO<sub>4</sub>) technology, known for its high energy density, long life cycle, and enhanced safety features. With a capacity of 5 kWh, it is perfect for ...

Introducing the ultimate solution for all your energy storage needs - Solar Batteries from Bundu Power. These high-performance batteries are designed to provide reliable and efficient energy storage, ensuring that you have a constant supply of power even during outages. Featuring advanced lithium-ion technology, these batteries offer superior energy density, longer life ...

Please note these pump systems are produced and configured per order and therefore have a 4-6 week lead time from time of order. FEATURES 100% OFF GRID Solution NO Batteries or AC Required NO Timers required MPPT Controller Model Specifications Model JCS6-30-54 Voltage 380 V Power 3000 Watts Max Flow Rate 30 m<sup>3</sup>/h Max H

Introducing the Bundu Power Solar Pool Pumps, the ultimate energy-efficient solution for maintaining your swimming pool. Designed with cutting-edge solar technology, these pumps harness the power of the sun to provide a sustainable and cost-effective way to keep your pool clean and well-circulated. The high-efficiency motor ensures optimal performance while ...

FEATURES 100% OFF GRID Solution NO Batteries or AC Required NO Timers required MPPT Controller SPECIFICATIONS Model JCS4-8.0-106 Voltage 216 V Power 1500 Watts Max Flow Rate 8.0 m<sup>3</sup>/h Max Head 106 m Warranty 12 Months GENERAL DATA Outlet 38mm (1.5 in) Pump Diameter 100 mm Type of Pump Centrifugal Pump Submersible Depth

South Africa's favourite Eco Store. Browse online for all renewable and sustainable energy solutions, from small DIY kits to complete energy systems for home and business owners. Sustainable - eco friendly shopping since 2002.

Please note these pump systems are produced and configured per order and therefore have a 4-6 week lead time from time of order. FEATURES 100% OFF GRID Solution NO Batteries or AC Required NO Timers required MPPT Controller SPECIFICATIONS Model JCS4-21-125 Voltage 380 V Power 5500 Watts Max Flow Rate 21 m<sup>3</sup>/h Max Head 1

PLEASE NOTE: ALL ratings are approximate and at SEA LEVEL. Engines need to be de-rated for altitude. A rough guide to de-rate performance is 1% for every 100m above sea level. I.e: A 20kVA at sea level is an 18kVA at 1000m above sea level (10% less) etc.

Discover the ultimate solution to reduce your electricity bills and embrace renewable energy with our Solar Geyser Conversion Kit. This innovative kit allows you to effortlessly convert your traditional geyser to operate on solar power, harnessing the energy of the sun to heat your water efficiently. The kit includes high-quality solar panels that are designed to capture maximum ...

Experience the future of energy solutions with our Turnkey Solar System installations designed for both home and business environments. This comprehensive solar system offers unparalleled efficiency and sustainability, ensuring that you have a reliable source of clean energy. Our solar panels are crafted from high-quality materials, providing excellent durability and performance ...

Discover the power and efficiency of our Solar Borehole Pumps by Bundu Power, designed to provide sustainable water solutions for your agricultural and residential needs. These solar-powered pumps are engineered for optimal performance, utilizing high-quality photovoltaic panels to harness solar energy. Our pumps are capable of delivering a high flow rate and pressure, ...

Introducing Bundu Power Generators, your ultimate solution for reliable and efficient power backup. Designed with cutting-edge technology, these generators ensure uninterrupted power supply during outages. Bundu Power Generators are engineered to provide optimal performance with minimal maintenance. They feature robust construction and high-quality materials, ...

Discover reliable and high-performance generator hire services in South Africa with Bundu Power. Our extensive range of generators is designed to meet various power needs, whether for residential, commercial, or industrial applications. Each generator is meticulously maintained to ensure optimal performance and reliability. From small portable units perfect for home use to ...

: Address: 2 Bravo Road, Jet Park, Johannesburg, 1459: About. Bundu Power is the official agent for Generac generators USA and Growatt Inverters as well as supplying our own range of Diesel generators. In addition we supply an extensive range of solar products such as Solar pumps, solar panels, solar inverters and solar ...

Introducing the SP-JS3-1.8-130 Solar Borehole Pump, a top-tier solution for efficient water extraction in South Africa. This advanced solar-powered pump is designed to provide a reliable and sustainable water supply, ideal for agricultural, residential, and commercial applications. Featuring a robust construction, the SP-JS3-1.8-130 is built to withstand harsh environmental ...

Bundu Power online store, leading distributor of Generators and Solar products in South Africa. Diesel, Petrol and Gas generator. Solar Panels, solar inverters and solar pumps for sale direct to the public. Bundu Power, Growatt, Renewsys
