

Will MasTec buy IEA?

US-based renewable energy construction firm MasTec has agreed to acquire Infrastructure and Energy Alternatives (IEA) in a cash-and-stock deal valued at around \$1.1bn. Under the terms of the agreement, MasTec will purchase all of IEA's outstanding shares for \$14 a share.

What does MasTec's New Deal mean for the industry?

The deal is intended to significantly enhance MasTec's clean energy and infrastructure segment, as well as its clean energy maintenance service offerings. It will also increase the company's non-union craft labour and equipment resource capacity.

What will IEA do with MasTec?

IEA president and CEO JP Roehm said: "The combination with MasTec will create new opportunities for IEA's employees and our customer base.

Falkland Islands: Many of us want an overview of how much energy our country consumes, where it comes from, and if we're making progress on decarbonizing our energy mix. ... Renewable energy here is the sum of hydropower, wind, solar, geothermal, modern biomass and wave and tidal energy. Traditional biomass - the burning of charcoal, crop ...

2. Visit the 1982 Liberation Monument. The 1982 Liberation Monument is a war memorial in Stanley commemorating the troops who served and helped liberate the archipelago during the Falklands War.
