

Who are the biggest private companies in the Faroe Islands?

One of the biggest private companies of the Faroe Islands is the salmon -farming company Bakkafrost, which is the largest of the four salmon-farming companies in the Faroe Islands and the eighth-biggest in the world. This list includes notable companies with primary headquarters located in the country.

Where are the Faroe Islands located?

The Faroe Islands are an archipelago between the Norwegian Sea and the North Atlantic approximately halfway between Norway and Iceland, 320 kilometres (200 miles) north-northwest of mainland Scotland. The islands are an autonomous territory within the Kingdom of Denmark.

How vulnerable is the Faroe Islands economy?

Nevertheless, the almost total dependence on fishing and fish farming means that the economy remains vulnerable. One of the biggest private companies of the Faroe Islands is the salmon -farming company Bakkafrost, which is the largest of the four salmon-farming companies in the Faroe Islands and the eighth-biggest in the world.

Why are the Faroese Islands a problem?

The islands are an autonomous territory within the Kingdom of Denmark. Economic troubles caused by a collapse of the Faroese fishing industry in the early 1990s brought high unemployment rates of 10 to 15% by the mid-1990s.
