

Is Moldova joining the International Solar Alliance?

New Delhi: Moldova has joined the International Solar Alliance, the Ministry of External Affairs spokesperson, Randhir Jaiswal said on Monday. Jaiswal said that India welcomes Moldova in its efforts to promote sustainability. The agreement was signed between External Affairs Minister S Jaishankar and Moldovan Deputy Prime Minister Mihai Popsoi.

Does Moldova have a good energy sector?

Moldova is also on the right path to developing a sound institutional structure in the energy sector, informed by better statistical data. The National Bureau of Statistics (NBS) is commended for its efforts to improve energy data collection and reporting.

Does Moldova have a security of supply?

Moldova has adopted the full set of security of supply rules, even beyond the current Energy Community acquis. The Moldovan government is also to be praised for the efforts focused on market reforms and aligning the national legal framework for energy with that of the EU.

What are the sources of electricity and gas imports in Moldova?

The sources of electricity and gas imports are not diversified and crucially depend on gas supply from Russia and electricity supply from the Moldavskaya GRES power station, which operates beyond the control of the Moldovan government.

How does Moldova get natural gas?

However, Moldova still procures natural gas almost exclusively from Gazprom through the traditional route from Ukraine: the Iasi-Ungheni-Chisinau pipeline remains mostly idle, and the Trans-Balkan reverse flow has not yet resulted in any significant flow to Moldova.

Does Moldova have a competitive gas market?

Regarding the gas sector reforms, Moldova has adopted several regulations, including the network code and market rules, as a step towards the establishment of a competitive gas market.
