

Who is Lightforce group?

Lightforce Group was founded in the early 1980s, was incorporated in 1995, and is now a global enterprise and an Australian success story. Lightforce Group incorporates these innovative business units: Lightforce, Nightforce Optics, Ace Precision Rifle Systems, Horus Vision Reticle Technologies, Gunforce, Force Ordnance, and Paroo Pastoral Company.

Who makes Lightforce reticle optics?

Lightforce designs and manufactures a premium range of driving lights, handheld lights and vehicle accessories. Nightforce Rifle Optics are made to endure the harshest environments and deliver excellent performance. Rugged, reliable, repeatable. Horus Vision is an industry-leading innovator of reticle design.

Is Nightforce a mass production company?

Never Compromising Quality There is no such thing as "mass production" at Nightforce. Only a skilled human eye and experienced hands are discerning enough to perform many of the critical operations involved in assembling a precision optical instrument.
