

Who is Nautilus solar energy?

So sign up today. Nautilus Solar Energy is a pioneer in community solar, providing clean energy to homes and businesses across the US. With a strong presence and a dedicated team, we are committed to creating a sustainable future for all.

Is Nautilus solar a good alternative energy option?

And, you won't need to make a major investment in solar panels on your roof or put a new electric car in your driveway to have the same effect. That's why Nautilus Solar is the best choice in alternative energy. All it takes is a few minutes and no dollars to join and you can do your part for the planet.

Is Malawi a good place to invest in solar energy?

"Salima Solar is the first solar PV plant in Malawi to be connected to the national grid. As such, it is a model for future projects in several ways... In particular, it demonstrates that Malawi is an attractive destination for private sector investment in energy," says President Lazarus McCarthy Chakwera at the plant's inauguration ceremony.

Where is Malawi's first solar power plant located?

The centrally located facility is Malawi's first solar power plant connected to the national grid, a project successfully completed under a public-private partnership (PPP). The President of the Republic of Malawi Lazarus McCarthy Chakwera visited the Salima district, 101 km from the capital Lilongwe, on November 16, 2021.

Should you join Nautilus solar?

For example, if you made no changes in your lifestyle and joined Nautilus Solar, you could benefit the planet as much as 200 mature trees absorbing CO₂. So, you could plant a forest and wait about 50 years, or you could spend 8 minutes joining Nautilus Solar. Your bills won't be higher. They will actually be lower.

Is Malawi ready for a big Hydropower Project?

Several more projects are set to follow, but Malawi is now approaching solar saturation and ready to move on to larger hydropower plants like the 350MW Mpatamanga project on the Shire River. Salima was funded by JCM Power alongside the Private Infrastructure Development Group's InfraCo Africa and FMO.
