

NEPTUNE Pacific Direct Line is to deploy a new, purpose-built landing craft for the Norfolk Island trade. The MV Norfolk's commissioning is proceeding to plan, with the vessel's delivery slated for early April, NPDL said in a statement. The vessel is to proceed to Singapore for bunkering in April prior to its arrival in Brisbane in late April or early May.

Elsewhere in Australia, Energy Bill Relief is being delivered in partnership with the Australian Government by states and territories through their existing energy concession schemes. As Norfolk Island is a non-self-governing territory, separate arrangements have been established to deliver this much-needed relief to homes and businesses on island.
