Online Games are video games played over the internet with other users around the world. Whether played on computers, consoles or mobile devices, online gaming offers a unique and immersive experience that transcends the boundaries of traditional video games.

UOSSM launches the second "Syria Solar" project at Arkabat Hospital on July 16, 2019, with the support of the Idlib Health Directorate. The hospital is one of the key hospitals in Northern Syria, specializing in orthopaedics. UOSSM installed ...

SYRIA SOLAR: In 2015, the staff at UOSSM, distressed about hospitals in Syria not having stable energy, decided to tackle this immense problem. Patients were dying from a lack of stable electricity in hospitals. After a significant needs assessment and research phase, the first pilot project began construction inside Syria in December 2016. 480 ...
