

What LinkNYC Kiosks OfferLink5gCommitment to EquityMore ResourcesIn 2021, the LinkNYC franchise agreement was amended. It requires CityBridge, LinkNYC's operator, to install 90% of new LinkNYC kiosks in the outer boroughs and above 96th Street in Manhattan. OTI has additionally made a commitment to a new minimum LinkNYC build in neighborhoods with a lack of other broadband options, lower median annual income, la...See more on nyc.govDepartment of Public ServiceElectric - Department of Public ServiceElectricity allows people to turn on lights at the flip of a switch, watch television, use computers and keep food cold in the refrigerator.
