

Cabinets, access doors, drawers, or a door-and-drawer combo are all excellent ways to make sure you have everything within arms reach for outdoor cooking. Brown Jordan Outdoor Kitchens brings function, style and design together for outdoor living spaces through our eight exclusive outdoor kitchen doors and cabinetry that are built to last.

Brown Jordan Outdoor Kitchens offers Outdoor Trash Pull-Out Cabinets that are available in 3" increments, starting at a width of 15" and ranging to 27" wide. These cabinets are available in a one or two trash basket version depending on the depth of the cabinet. They are available with or without a drawer above the trash pull-out.

All Brown Jordan Outdoor Kitchens cabinets come standard with utility access holes for services (electrical, plumbing, gas). It is encouraged that all services align with these existing access holes. While the cabinets can be notched or have holes drilled in them, it is not recommended. In the event a new hole does
