

Is Palestine a one-state reality?

But in the one-state reality that currently exists, anything that suggests that it is not permanent, that treats Palestinians as a national category, and that addresses the gross power imbalance (one that has vitiated all diplomacy) is good.

What are the Occupied Palestinian territories?

It encompasses the Israeli-occupied West Bank, including East Jerusalem, and the Gaza Strip, collectively known as the occupied Palestinian territories, within the broader geographic and historical Palestine region. Palestine shares most of its borders with Israel, and it borders Jordan to the east and Egypt to the southwest.

Who supplies Palestinian electricity?

The Israel Electric Corporation (IEC) supplies most of the electricity in the Palestinian territories. PETL is the sole buyer of imported electricity for distribution in West Bank Areas A and B and in the Gaza Strip, which in turn supplies the electricity to the six Palestinian distribution companies.

Is the creation of a Palestinian state a paralysis?

The paper argues that in the last sixty-five years, efforts made to actualize the creation of a Palestinian state have suffered unnecessary paralysis due largely to socio-psychological perceptions and diplomatic conundrum between the two sides.

When did Palestine become a nonmember observer state?

By November 2012, when the United Nations General Assembly voted to upgrade Palestine's status to that of a nonmember observer state, 132 of the 198 members of the United Nations recognized Palestinian statehood. Several more have done so since then. ^Robbie Sabel (April 2022). International Law and the Arab-Israeli Conflict.

Are Palestinians still a national community?

But Palestinians are still very much present--not merely as individuals but as a national community. Over the past half century, a sense of national identity has grown far stronger--and the tribulations suffered by Palestinians (including occupation and the failure of the Palestinian Authority, or PA) have actually made it stronger.
