

What is a Panerai 1313 pam01313?

The Panerai 1313 PAM01313 is a brilliant re-iteration and take on the Panerai Luminor Marina series. It is quite different from a Luminor base model due to its inclusion of the small seconds at the 9 o'clock position and date. The year 2020 saw a wide range of variations for various Panerai models.

How much does the Panerai Luminor pam01313 cost?

The Panerai Luminor PAM01313 has an estimated retail price of \$8,800 and trades for \$5,436 on the pre-owned market. Expect to pay 2% more when buying from a secondary market dealer. We've tracked 126 sales for the Panerai PAM01313 in the past year on the secondary market, making it a relatively popular watch.

How much is a Panerai pam01313 worth?

We've tracked 126 sales for the Panerai PAM01313 in the past year on the secondary market, making it a relatively popular watch. A fair market price for this watch would be between \$4,686 and \$6,186. Anything below \$4,686 would be a great price, while anything above \$6,186 would be considered a high price.

What is Panerai Luminor Marina 44mm pam01313?

The brand-new Panerai Luminor Marina 44mm PAM01313 takes the audience back to the basics. This 44mm watch stays true to the design of Panerai's Luminor 1950 case. It features a matte brushed finish and a polished bezel. The 24mm lugs and patented quick-release strap change system further add to the beauty of this watch.

Does Panerai have a pam01313 watch strap?

Panerai includes a dark blue alligator watch strap with this watch. Other than the primary watch strap, there is an additional rubber strap that you can use for a more sporty or casual look. Panerai tries to offer the best of modern practices and classic aesthetics to their customers. The PAM01313 is a prime example of this.

Which Panerai Luminor watch straps should I buy?

We also recommend our ready made watch bands for all of our Panerai Luminor watch owners, take a peek at our 40mm/42mm Panerai Luminor watch straps, 44mm Panerai Luminor watch straps and 47mm Panerai Luminor watch straps as well as custom Panerai straps that include custom Luminor watch bands and custom Luminor Due watch bands.
