What is a PVO package deal?

This combination is designed for easy installation and optimal energy management. At PVO, you can now benefit from a package deal that includes the inverter, battery, and all necessary accessories. Reach out to your dedicated account manager or contact us directly for more details.

What is the first impression of working at PVO?

With a diverse career background, Toine launched his career at PVO on 1 February 2024. "My first impression of PVO was a feeling of familiarity. What I like most about my work at PVO is interacting with everyone within the company; my supervisor, managers, the warehouse team, operations, HR, etc." shares Toine.

What was Patrick's first impression of PVO?

His first impression of PVO was a very dynamic working environment. Within his job he likes being the link between different departments and suppliers. Patrick about his work: "The international aspect of the organization is very interesting to me. To work with colleagues and suppliers from all over the world is a challenging but exciting job.
