JCE Energy are delighted to announce we have formed a new Strategic Alliance Partnership (SAP) with RESSCOTT Ltd - Trinidad & Tobago. RESSCOTT Ltd have extensive experience in the renewables market, supporting solar, wind, battery and lighting systems.

It all started in 2019; the Directors of RESSCOTT LTD in November of that year visited a family in a rural area of southern Trinidad for a site visit. The family of 6 children (ranging from ages 2-14), having been a few miles away from the nearest utility connection, were using a diesel generator during part of the day and for a couple hours ...

JCE Energy manufacture the SPA series of photovoltaic Ex mb e, Ex nA and Ex ec mc Solar Panels, which are ATEX and IECEx certified products. They are intended for use in areas made potentially hazardous by the presence of flammable liquids, gases or vapours (Zone 1 and Zone 2). Suitable for Category 2 and Category 3 G.
