

We recently participated in RE+ 2024, one of North America's largest renewable energy trade shows, held from September 10-12 in Anaheim, California. It was a fantastic opportunity for us at Mibet to present our latest PV mounting brackets and system technologies tailored to meet the increasing demand for clean energy.

2012 ---- Mibet Energy established, created MRac brand, Step into Europe and America market. Thanks for following us, ready to discuss your solar project? Enquiry Now. We provide our customers with perfect-fitting, highly customized solutions. +86-592-3754999; ABOUT MIBET. About Us; Patent Certificates;

Xiamen Mibet New Energy Co., Ltd, a high-tech enterprise, specializes in researching and developing, manufacturing, selling solar energy products. With its independent intellectual property, Mibet Energy devotes itself to offering the ...

MRac Floating PV Mounting System G5 is applied to solar pv power plant installation on the water. Adopting HDPE, POSMAC or hot-dip galvanized steel as the material, it has passed the Hunt Water Absorption Test, Aging Test, Anti-UV Test. Moreover, it can b

We are committed to offering world-class solar pv mounting system solution. Multiple types of Products, including ground solar racking system, roof solar racking, carport solar mount, floating solar system, etc. Featured with strong structure strength, good stability and high corrosion resistance, Mibet solar mounting brackets have good performance in quality.

From November 15-17, 2023, the Osaka International Smart Energy Week attracted the attention of energy companies from around the world. At this important industry event, Mibet showcased a variety of stable, reliable, and cost-effective solar system products, demonstrating its rich experience and innovative capabilities.

Xiamen Mibet Energy Co., Ltd, una empresa de alta tecnología con tecnología patentada avanzada y servicio de alta eficiencia, se especializa en investigación y desarrollo, fabricación, venta de productos de energía solar y se dedica a ofrecer las soluciones de sistemas de montaje de energía solar fotovoltaica más confiables y económicas. .

Mibet Energy a high-tech enterprise, specialize in researching and developing, manufacturing, selling solar

energy products. With its independent intellectual property, Mibet devotes itself to offer the first-class solar PV mounting system solution around the world. Its reliable and economical solar PV mounting system has been sold to more than ...

From residential to commercial and industrial, Mibet's rooftop solutions have been widely adopted by customers around the world for their good stability, high quality, and strong structure strength. Most of the components of solar panel roof mounting brackets are made of aluminum or steel, which has a good performance of high corrosion resistance.

The Mibet G4N+ floating solar mounting system features a meticulously conceived floating bridge design and utilizes HDPE material. It has successfully navigated the Hunter water absorption test, anti-aging tests, and UV resistance tests, and it can withst ... Xiamen Mibet New Energy Co., Ltd.
