

The breed plays a large role, too. Fritz ruled out any wool breeds so the sheep wouldn't have to be sheared yearly. Rather, he opted for the St. Croix breed, known for its lean build and hair that sheds. "I've been in the solar fields, and I think the sheep are just going to thrive underneath the panels," Fritz says.

Martin Lewis and Solar Panels . Martin Lewis is famous for the expert money advice he shares with the UK public. ... Although the initial cost might seem high, over time, you can save money on energy bills and even earn some money from government programs. These benefits can make solar panels a good financial choice.
