

SANIA Power delivers strong results thanks to our dedicated employees and a keen focus on value creation. The Company keeps a strict focus on its strategy. We detect market inefficiencies in time and move energy from where there is more than needed to where it is needed most. SANIA Power concentrates on its core expertise

In July 2022, the first year of our current three-year corporate strategy, "LEVEL UP" started. We kicked off the strategy; our ambition is to grow our business, successfully use the commercial opportunities, establish global trading activities, increase our share of automated trading and be one of the most attractive partners and workplaces in energy trading.

AccumulateWhen traders buy a commodity heavily and "take it out of the market." ActualsCommodities on hand, ready for shipment, storage, or manufacture. AfloatsCommodities loaded on vessels and on way to the destination. It may refer to loaded boats in harbour and about to sail, but not to cargoes already at the destination. ArbitrageSimultaneous purchase and
