

In the Senate, Republicans currently hold 49 of the 100 seats, with Democrats holding 47, and Independents four. So I do not see any mandate nor do I see any mammoth change coming as far as what the House or Senate looks like, aside from who controls it," Reynolds said. Blocking "extreme" nominees

WASHINGTON (AP) -- Republicans have taken control of the U.S. Senate and are fighting to keep their majority in the U.S. House, which would produce a full sweep of GOP power in Congress alongside ...
