Need cells too? Check out our Seplos Mason Battery Bundles and save up to 15% on your purchase! The kit includes:

Does seplos have a battery layout diagram?

Seplos provides a battery layout diagram which is simple and also makes perfect sense. Everything fit well. They did provide little copper washers for the top of the cells. This is a complaint. They were 3 short in the bag. Therefore some cells have them and some don't.

My Seplos kit arrived last week and I've put it all together with some Xuba 280ah cells. I thought I would give some insight and some pictures as to the process and what I found. Firstly the cells came first, they were from ...
